

# AYO JONES, M.ED.

- Creator of The PEACE Framework
- Author & Speaker ▪ AI Innovator

## ABOUT AYO

Ayo Jones is a veteran special education teacher, instructional coach, and engaging speaker with nearly 20 years of experience. She empowers educators with the strategies and tools they need to support students with disabilities.

Ayo has trained thousands of educational professionals across the U.S. and internationally, developing curriculum and resources that have impacted millions. As the founder of Noodle Nook, a resource hub for special education teachers, she provides practical solutions that drive student success.

## POPULAR SESSIONS

Ayo offers dynamic and informative presentations tailored for educators, administrators, and support staff. Her sessions are engaging, practical, and rooted in real-world applications.

### ✓ Make PEACE with AI: A 5-Step Blueprint for the Modern Classroom.

An introduction to the PEACE Framework, a clear, 5-step blueprint for designing engaging, AI-integrated, inquiry-based lessons that work in any subject.

### ✓ Stop Teaching Answers. Start Teaching Questions.

Learn practical strategies to shift classroom culture from passive recall to active inquiry, teaching students to ask better questions and use AI for genuine exploration.

### ✓ Trust Your Brain, Not the Bot: Teaching the #1 Skill for the AI Era.

This critical thinking masterclass equips educators to teach students how to be smart, critical consumers of AI-generated content using the simple, powerful SAFE Check framework.

### ✓ Beyond the Essay: Designing Assignments that AI Can't Fake.

Discover a toolkit of creative assessment strategies that measure critical thinking and collaboration, designing AI-proof assignments that AI can't replicate.
